

ECOSURE

SPILL CONTROL

UK MADE SPILL CONTAINMENT

We manufacture a range of spill containment products in both plastic and steel. Made in accordance with strict ISO:2001 2015 compliant standards, quality and ease of use are guaranteed. Tough, rugged and built to last, they are ideal for industrial and commercial use.

Our spill pallets are ideal for workshops, warehouses or industrial units of all sizes. Our plastic spill bunds, pallets and trays are available in yellow or black as standard, but other colours can be specified for branding purposes or to indicate the chemical stored. Our steel range is made from high quality sheet steel which is hand finished to a high standard.

Etills Ltd is an ISO 9001:2015 certified business. Customer service is central to our success; we provide practical advice and an individualised response to customers' enquiries.

Ecosure is the trademark of Etills Ltd.

Made in Britain

We are proud to say that we design and manufacture all our own products in our factory in Melbourn Cambridgeshire.

Where possible, we will always try and source additional products from other British manufacturers.

PLASTIC SPILL PALLETS

We manufacture plastic and steel spill containment pallets ideal for workshops, warehouses and industrial units of all sizes. The larger spill pallets have fork-lifting points for easier transportation. Great secondary containment units, these pallets will support 2, 4 or 8 drums.

- PPG 26 compliant
- Low profile makes loading easy
- Removable heavy duty plastic grid
- High impact strength; suitable for commercial & industrial use
- 2 way forklift entry (only move unloaded)
- Manufactured from polyethylene with the latest UV stabilisation package
- Bund contains minimum 110% volume of the stored liquid
- Rotationally moulded for strength and durability
- 2 year warranty
- Available in a variety of colours

Code	ECO2DRUM	ECO4DRUM	ECO8DRUM
Type	2 drum spill pallet	4 drum spill pallet	8 drum spill pallet
Height	390mm	300mm	555mm
Length	1350mm	1355mm	1200mm
Width	730mm	1355mm	1300mm
Weight	25kg	35kg	80kg
Capacity	250 litres	355 litres	1350 litres
Grid (removable)	1 x PE	1 x PE	2 x PE
UDL	1000kg	1000kg	2000kg

STEEL SPILL PALLETS

Our steel metal pallets suitable for agricultural, commercial and industrial applications and make great alternative to plastic/MDPE or wood pallets.

Code	ECO2DSTEEL	ECO4DSTEEL	ECO8DSTEEL
Type	2 drum steel spill pallet	4 drum steel spill pallet	8 drum steel spill pallet
Height	390mm	300mm	555mm
Length	1350mm	1355mm	1200mm
Width	730mm	1355mm	1300mm
Weight	25kg	35kg	80kg
Capacity	250 litres	355 litres	1350 litres
Grid	1 x PE (removable)	1 x PE (removable)	2 x PE (removable)
UDL	1000kg	1000kg	2000kg

SINGLE IBC BUNDS

IBC bunds ensure spill protection when storing IBC containers / totes. This secondary containment is perfect for agricultural, commercial and industrial applications.

We manufacture quality single IBC bunds made from MDPE. All our single IBC bunds come with removable PE grids.

These secondary containment bunds are suitable for most oil and chemicals.

IBC Advantages

- Heavy duty IBC bund with grid
- Manufactured from 100% polyethylene with the latest UV stabilisation package
- Tough construction to resist knocks
- Corrosion free
- Available in a variety of colours upon request
- 2 year warranty against manufacturing defects

Code	ECOSSIBC	ECOIBC
Type	Space saving single IBC bund	Single IBC Bund
Height	1120mm	980mm
Length	1200mm	1400mm
Width	1200mm	1400mm
Weight	70kg	75kg
Bund Capacity	1150 litres	1350 litres
Grid	1 x PE (removable)	1 x PE (removable)
Forklift access	4 way forklift entry	2 sided (front & back)

EXTERNAL IBC BUNDS

These premium external IBC bunds come complete with frame & cover to provide an all-weather external storage solution for 1000L IBCs. The heavy duty MDPE bunds are protected from rainwater & contamination.

The lightweight, sturdy frame is constructed from galvanised tubing to ensure corrosion protection & is easy to assemble on site. Roof supports, made from 1.5mm galvanised sheet, prevent rainwater pooling.

Code	ECOIBC/COV
Type	Single IBC bund c/w PVC cover
Height	2488mm
Length	1400mm
Width	1400mm
Weight	75kg
Capacity	1350 litres
Grid	PE (removable)

These high quality Ecosure double IBC bunds are designed for the long-term safe bunding of two IBCs (totes), and will ensure compliance with current storage regulations.

Completely manufactured from acid and alkali resistance polyethylene, with no steel parts in order to ensure complete corrosion protection, they are suitable for all oils and most non-combustible chemicals - and are 100% recyclable. Easy to clean and maintain, they come with high quality, removable polyethylene grids. Two way forklift entry is provided in the Ecosure range, but any IBC bund should only be moved when unloaded.

Code	ECODIBC
Type	Double IBC bund
Height	555mm
Length	2500mm
Width	1300mm
Weight	80kg
Bund Capacity	1350 litres
Grid	2 x PE (removable)
Forklift access	2 way forklift entry

IBC Advantages

- Complete with TWO heavy duty removable PE grid
- 2 way forklift and pallet truck entry (only move unloaded)
- Designed for the safe storage of up to TWO 1000 litre IBCs
- Available in a variety of colours upon request
- 2 year warranty against manufacturing defects

Code	ECODIBC/COV
Type	Double IBC bund c/w PVC cover
Height	2055mm
Length	2500mm
Width	1300mm
Weight	80kg
Capacity	1350 litres
Grid	2 x PE (removable)

IBC Advantages

- Includes premium quality 650gsm PVC cover with cord
- Complete with a heavy duty removable PE grid
- 2 way forklift and pallet truck entry
- Designed for the safe storage of 1000 litre IBCs
- 2 year warranty

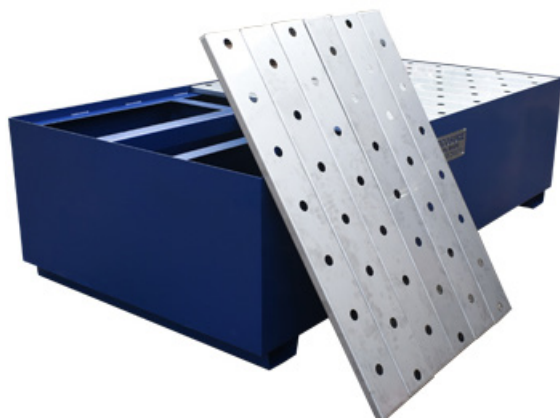

STEEL SINGLE IBC BUNDS

These premium quality Ecosure Steel IBC Bund is specifically designed to carry a standard 1000 litre IBC and holds 110% of the contents of the container. It is manufactured from 2.5mm mild steel and fully seam welded in order to ensure a leak proof sump.

Code	ECODIBC
Type	Single steel IBC bund
Height	930mm
Length	1255mm
Width	1255mm
Bund Capacity	1100 litres
Grid (removable)	Stainless steel
Forklift access	2 way forklift entry

IBC Advantages

- Laser cut galvanised spill grids
- Forklift and pallet truck entry points
- Made from powder-coated mild steel
- Protects the workplace, environment and personnel
- Designed for the safe storage of TWO 1000 litre IBCs
- 5 year warranty against manufacturing defects

STEEL DOUBLE IBC BUNDS

Steel IBC bunds ensure spill protection when storing IBC containers / totes. This secondary containment is perfect for agricultural, commercial and industrial applications.

We manufacture double IBC bunds from high quality mild steel which is then powder coated. Our steel double IBC bunds come with removable galvanised grids.

Code	ECODSTEELIBC
Type	Steel Double IBC bund
Height	380mm
Length	2275mm
Width	1255mm
Capacity	1100 litres
Grid	Stainless steel (removable)
Forklift access	2 way forklift entry

ECOMINIBUND

ECOMIDIBUND

ECOBUND

Designed for the safe storage of cans and containers, these open top spill bunds will protect the workplace and the environment from drips and spills.

Made entirely from UV stabilised MDPE, it is corrosion and maintenance free, able to resist impacts and weathering. It can also be used as a drip tray and has no drainage points to compromise the bund area.

Code	ECOMINIBUND	ECOMIDIBUND	ECOBUND
Type	Mini spill bund	Midi spill bund	Compact bund
Height	310mm	450mm	400mm
Length	500mm	450mm	600mm
Width	500mm	450mm	310mm
Weight	3.5kg	3.5kg	8.5kg
Bund Capacity	60 litres	80 litres	85 litres
Material	Polyethylene	Polyethylene	Polyethylene

SPILL TRAYS

ECOSPILL75

ECOSPILL115

Code	ECOSPILL75	ECOSPILL115
Type	Shallow spill tray	Deep spill tray
Height	190mm	300mm
Length	1200mm	1200mm
Width	600mm	600mm
Weight	5kg	6kg
Capacity	75 litres	115 litres
Material	Polyethylene	Polyethylene

GALVANISED DRUM FRAMES

1DGALFRAMEBND

2DGALFRAMEBND

Galvanised drum support stands, designed to store up to two 200 litre drums. Galvanised spill trays also available creating an ideal dispensing station.

Manufactured from sturdy galvanised steel, this support stand comes flat-pack.

More from Ecosure

Ecosure Garden Brochure

UK manufactured water butts, raised beds and garden ponds.

Ecosure Water Tanks

UK manufactured quality water tanks from high grade polyethylene.

The Ecosure logo consists of the word 'ECOSURE' in a bold, green, sans-serif font. The letter 'O' is replaced by a stylized globe with a blue and white design. The logo is set against a blue and white geometric background.
