

# ECO1500B

Product description: Bunded cylindrical storage tank

Product Information		
Height	Diameter	Overall weight
1630mm	1430mm	100kg

Sizes approximate, owing to shrinkage  
Specification subject to change; please call to confirm details

#### PRODUCT NOTES:

- Always keep tank upright. Never roll or put on its side.
- Tank must be sited on a level, fully supporting base

#### PRODUCT DETAILS:

- The perfect self-contained solution for the storage of compatible chemicals
- Double wall construction
- Hinged outer lid
- 4.5" vented inner lid as standard
- No outlet as standard

#### OPTIONAL EXTRAS:

- Bund alarm
- Overfill prevention valve
- 1" outlet
- Hasp and staple for lid
- Colour options available

#### BENEFITS:

- Outer tank encapsulates and protects the internal tank
- Low maintenance - no rust and no painting required
- High impact strength
- Manufactured to ISO standards
- Bund contains minimum 110% volume of the inner tank
- Bunded construction provides integral protection from leakage and overfilling
- Covered bund prevents collection of rainwater & debris
- Compact, sturdy design
- Rotationally moulded for strength & durability
- 2 year warranty against manufacturing defects
